

# Wanted!

**Retired men to participate  
in a Social Network/Meeting of  
contemporaries.**

The Club is a genial and informal weekly get-together of affable and good-natured men interested in fellowship, continued learning, and new life experiences.

Weekly, respected speakers briefly address the membership on a wide variety of current and historic topics – science, technology, law, history, agriculture, the arts, plus personal career stories.

**All meetings are held both  
in-person and virtually via  
Zoom**

GWMC also offers tours, lunches, sporting events, theatre excursions, and more, all in an atmosphere of friendship and laughter!
